This document certifies that the product families/part numbers stated above and manufactured by Fox Electronics are in compliance with Directive 2002/95/EC of the European Parliament and of the Council of 27 January 2003 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS Directives). The stated product families/part numbers are deemed to be compliant as per the definitions given in the directives.

This document also certifies that the materials declaration, if one was provided, by Fox Electronics is accurate to the best of our knowledge at the time.
