Subject: SMI confirmation regarding the compliance with the Requirements of the European Union Chemicals Regulations – REACH - (1907/2006/EC)

Date: 20 January 2009

Dear Customer,

SMI is a supplier of non-chemical products only and SMI products do not release any SVHC substances when used for their intended and specified purpose. Consequently SMI is not subject to the obligations for suppliers of SVHC substances and preparations according to REACH.

We confirm that all products delivered by our Company do not contain any of the substances of the “Candidate List of Substances of Very High Concern for authorisation” (SVHC) above a concentration of 0,1% (w/w).

David Craft, QA Director

Holger Doering, VP Operations
